

# Mission Statement

Promote community involvement by cultivating a cooperative, sustainable, organic way of life through:

Providing highest quality, affordable natural foods and products, and wherever possible organic, in a pleasant, comfortable environment;

Serving members effectively;

Encouraging a healthy local economy;

Community and member education;

Maintaining the financial health of the Cooperative;

Promoting community interchange of ideas;

Providing a workplace that reflects these values.

The Kootenay Co-op's Board of Directors is entrusted with ensuring the sustainability of the co-operative, in alignment with our mission, values and principles.

The redevelopment project will provide a long-awaited and much needed new home for the Kootenay Co-op. It also presents us with significantly expanded opportunities to fulfill our mission. We are excited to share with you the Board's commitment for the Co-op's redevelopment project.

# Your new Co-op will enhance:

- Our ability to provide healthy, affordable high quality food to our members and community in a pleasant and comfortable environment.
- Our role as a business incubator for local farms and natural product producers.
- Our ability to drive local economic growth.
- Our ability to provide meaningful employment.
- Our members' experience of Co-op ownership and participation.
- Opportunities for outreach, education and interchange of ideas.
- Our social, environmental and financial sustainability.
