

Friendly. Healthy. Community owned.

Till Donations Program

Each month, we feature a different local group at our tills so that shoppers can make a donation as they check out. One day each month, our cashiers will invite shoppers to donate.

Eligibility:

Till donations are available to any community organization.

Application Process:

1. Complete this application. If you need more space to explain your project, additional materials are welcome.
2. Submit the completed application to Customer Service or electronically at community@kootenay.coop before December 1st.
3. A committee of Kootenay Co-op staff and members will review applications and set the monthly schedule for the next year.

2019 Applications Due December 1st

Expectations:

During their month, organizations are expected to

- promote the donation opportunity to the organization's network, and
- create a few 'talking points' so that our cashiers can speak about what you do.

Organizations are encouraged to book our covered area to help shoppers learn more about the work you do in our community.
